

grow

**From him the whole body, joined and held together
by every supporting ligament, grows and builds itself
up in love, as each part does its work.**

EPHESIANS 4:16

The discipleship journey requires us all to Grow in Christ and help others do the same. This growth occurs as we Pray, Hear God's Word, Share God's Word, Worship, and Serve, both individually and in community. Think about the commitments you just made as part of Luke's ordination and consider...

Am I experiencing growth in Christ?

Am I experiencing growth with community?

Am I helping others grow in Christ and community?

*Which aspect of growth do I need to focus on
to move forward as a disciple?*
