The Movement of God's People | 40 Days and Jonah (Jonah 1-4)

1. Claude emphasized the repentance that is necessary for God to work in and through us. He highlighted the dramatic repentance of the King of Nineveh and its inhabitants. What are signs of repentance in your own life?
2. Martin Luther said believers should live a whole life of repentance. Claude emphasized the fact that Jonah's, Nineveh's, and colonial America's repentance were all short-lived. How might we develop habits to not wander but continually come back to Jesus in repentance?
3. What are the places your heart wanders to look for life outside of Jesus?
4. If our sinful desires cannot be removed, only replaced, with a stronger more passionate desire for our beautiful Lord – How is the environment in which your desire lives? How can you cultivate that environment (i.e. what is missing?) in order for desire for Christ to flourish above and beyond the flesh?

Workplace Application:

5. Whether you work at home, manage or are part of a team, or are a business owner, how do you foster a culture of repentance in our “failure is not an option” professional society?
6. What are the pitfalls of looking for life outside of Jesus in work?
