### *Explore the Holy Spirit — Walking in the Holy Spirit*

**Focus Passage:** Galatians 5:13–26

*Context:* Galatians 5:1–6:36

*Other Passages Referenced:* John 15:1–5

**Sermon Recap:** If we analyze our various conflicts, we will find that there is usually an underlying unseen conflict beneath the conflicts that we see. That underlying conflict is a battle between the desires of our flesh and the desires of the Holy Spirit. The Big Idea of this week’s sermon is: “The Holy Spirit replaces our flesh with His fruit.” The fruit of the Spirit grows as we walk by the Spirit (v. 16), are led by the Spirit (v. 18), live by the Spirit (v. 25), and keep in step with the Spirit (v. 25).

### Background Helps

- **3 Kinds of “spirits”** referred to in the New Testament – the spirit of a human being ... evil or demonic spirits ... the Holy Spirit. Bible publishers often use a capital “S” in “Spirit” when referring to the Holy Spirit. Paul mentions the human spirit once (Gal 6:18), evil spirits once (Gal 4:3), and all his other uses of the word “spirit” in Galatians refer to the Holy Spirit.
- **Different meanings of “flesh”** – There are times in the Bible when “flesh” refers to the physical flesh of animals or humans. The incarnation that refers to Jesus taking on human flesh and blood is one of Christianity’s fundamental doctrines. Having flesh and blood is not negative but the way God created us when He said, “It is very good.” However, “flesh” may also refer to our human appetites and efforts that operate apart from or in opposition to God’s Spirit. In this negative sense, “Flesh refers to fallen human nature, the center of human pride and self-willing. Flesh is the arena of indulgence and self willing, the locale in which the ultimate sin reveals itself to be the false assumption of receiving life not as the gift of the Creator but procuring it by one’s own power, of living from one’s self rather than from God.”—Timothy George
- The Greek language leaves open the possibility that Paul may have intended his readers to understand that, “The fruit of the Spirit is **love**: “Joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control.” That would make everything after “love: ...” in the previous sentence descriptors of how “love” is to be manifest. That possibility seems more likely in light of Gal 5:14, “For the entire law is fulfilled in keeping this one command: “Love your neighbor as yourself.”
- **Greek for “if/since”** – over the last century, there has been debate about how the only Greek word for “if” should be translated. Some scholars say that if what follows the literal word “if” is true, it is better translated “since.” We have an example of this in Gal 5:24. The NIV and a couple of translations opt for “Since we live by the Spirit, let us keep in step with the Spirit.” The ESV and the majority of other translations go with “If we live by the Spirit, let us also keep in step with the Spirit.”
