

Wes White

Wes grew up in St. Petersburg, Florida. He came to faith through a youth basketball camp when he was in high school. Wes graduated from Toccoa Falls College with a major in Biblical Studies, and from Southeastern Theological Seminary with a Master's Degree in Intercultural Studies.

While at Southeastern, Wes met his future wife, Michelle. They married in 2000. Wes spent ten years ministering to students in North Carolina and California before he felt the Lord calling him to international missions.

In 2009 Wes, Michelle, and their children moved to Spain to begin serving as missionaries through the International Mission Board. The Whites have helped Spanish nationals to plant churches and disciple believers in Cáceres, and most recently Valencia.

Wes and Michelle have four children, Weston (12), Nathan (11), Jonathan (10), and Carolina (7).
